“ I recently learned of Belinda (Bunny) Decker’s passing. I attended Morse High School as student one year older than Bunny and shared in the experience of the ROTC and Rifle Team programs. Bunny was an accurate marksman on the rifle team and strong leader in ROTC. The Morse ROTC program benefitted much from her skills and achievements. We find solace in knowing the pain of her illness has passed, but will miss her, as I am sure many others do.  
I extend my deepest sympathy to her family and close friends. I hope you find comfort in reminiscing the happy times you were able to spend with her.  
Sincerely, Charles Shirley

“ My heartfelt sorrow for the loss of your Mother and Friend. Angel was a true friend and co-worker during my time at Yavapai County. Rest assured she is with Jesus now and not in pain any longer.

“ What a wonderful voice on the other end of a call when you needed help with your computer. Her cheerful voice hid the pain that I am sure that she had to endure. I know that she will be dearly missed by all. ~ Debra Kudelka-Beavers -Community Health Center of Yavapai

“Bunny and I were best friends in high school. We lived in Navy housing in Paradise Hills, CA. We were in JROTC together. We spent a lot of time learning to dance the Hustle by the Bee Gees when we were 15. We reconnected via FB several years ago and were able to catch up via a few phone calls. I am truly going to miss my beautiful friend Bunny!
