“ Words cannot express the loss of my dear friend. She brought so much joy to my life. We worked together at the Board of Supervisors and stayed good friends for over 20 years since I left Prescott. She had me spend the night several times while David went hunting and we would watch scary movies and laugh and laugh. Heaven is a bit brighter now. Til we meet again dear sister in Christ. “ There are so many wonderful memories I have for a person so kind and gentle who left us too soon. I first met Carolyn in grade school and was lucky enough to have worked with her for so many years at Yavapai County. She had such a zest for life and loved her family more than anything. I'll miss her laugh, her smile and her big heart. My sincere condolences to the family. Heaven just got a little sweeter. -Jeannie

“ I had the pleasure of knowing Carolyn since Prescott High and she was a very special person to me whom loved and enjoyed life to the fullest. Her love for her children was so deep that she wanted the best for them. My memories of her will always be of a beautiful heavenly smile, a large Coke in her hands and unwilling drive to never give up. I forever will miss her and know that one day I will have the pleasure of seeing her again. My prayers go out to her loved ones in this trying time.

“ I had the pleasure of knowing Carolyn for many years as Deputy Clerk of the Yavapai County Board of Supervisors. It is a fact that us Arizona "Clerks" are one tight bunch. We not only rely on each other for professional advice, but we all share our personal lives with one another. Carolyn was always so willing to share her knowledge regarding work, which I very much appreciated, but even more I appreciated her as a friend throughout the years. She was a good listener. When Carolyn first encountered cancer, we continued to stay in touch; me by supporting all of her treatments and she taught me that a strong faith in God will make any situation bearable. It was so sad and shocking when the cancer returned, but Carolyn never lost her happy spirit...right until the end. It is comforting knowing that she had such a loving husband and family. May all of your wonderful memories of Carolyn give you comfort at this difficult time and into the future. Love, Marian Sheppard
