“ I became friends with Bill and Mary Ann at the Edgewater restaurant in Culver and each year looked forward to them "coming home" . I teased Bill about going to the Farmer's Market and buying a house. He would usually call me as they were going through Kewanna on the way to Culver to tell me they were there. Two nicer people will never be found and I am so blessed to have known them. It is comforting to know they are together in heaven now.

“ Dear family of Bill Howard,

We have shared friendship and love with all of you and know that Bill will be missed. He gave a good fight with all of his health issues. How we remember all of the Mannatech meetings at your home and stopping by to visit with Maryann and Julie. May God's presence be with each of you as you grieve and remember. Lilly and Doug Miley

“ Dear family of Bill Howard,

May your father RIP. He is now with his beautiful wife. He was a great man. You all lived in the house that my father built in Noblesville. Prayers to you all.
