“ To Debra's family, my most sincere condolences. May you find peace in your loss.

To Debra, if you're reading this from the ethereal realm, thank you for gracing me with genuine friendship and wonderful memories. I shall miss our many adventures - to the library to see your beautifully decorated historical exhibits, exploring Prescott's many antique shops, the view of Fort Whipple from on high, people watching and live music on Acker Night, fun dinners, Strolling the Yavapai County Courthouse grounds near the "Bucky O'Neil" Statue ;-), sleuthing the Jennie Elias-Goldwater mystery, learning about the John G. Campbell family, the traditions of hair art, etc. Be well.
