

Diana Winn Butitta

April 18, 1955 - April 4, 2016

Diana Winn Butitta passed away, too soon, April 4, 2016. Born April 18, 1955 and raised in Phoenix, Diana graduated from the University of Arizona, moving to Prescott in the early eighties. She spent most of her career in accounting and had been retired for several years.

Upon moving to Prescott, Diana married her “Buddy”, Matthew Butitta in 1985 and they have been soul mates ever since. They shared a wonderful life in Prescott, and traveled seemingly constantly, with several vacations to their favorite Hawaii, visits to Matt’s family in Illinois, and numerous trips to Europe.

Diana was predeceased by her parents, Wayne F. and Barbara Winn, who she adored. She will be terribly missed by her husband Matthew, her brother Wayne F. Winn, Jr., sister-in-law Cheryl Winn, and dozens of other friends and Matt’s family members who, as much as they loved her, she loved even more. She loved animals, and would have appreciated donations made to the Yavapai Humane Society in Prescott. Family also suggests donations made to Yavapai County Mounted Sheriff’s Posse Scholarship Fund, PO Box 95 Prescott, AZ 86302. A celebration of Diana’s life will be Saturday May14,2016 at Matt's Saloon 112 S. Montezuma Prescott, AZ from 1:00-4:00pm.

“ Matt I am so sorry to hear about Diana. Actually I'm in shock. You and Diana were always so nice to me when I saw you at the Prescott Mining Co/Porterhouse Restaurant back in the day. Diana was a very Special Lady and will be missed by everybody. Will try to come to Matt's next month for a Celebration of her life.
