March 1, 1950 - October 12, 2017

Beloved father, brother, grandpa, uncle, and friend, Dorvin Jay Jones, 67, of Prescott, AZ was called home to his Lord on October 12, 2017. One of eight children, Dorvin was born March 17, 1950 in Goshen, Indiana, to Jake and Gladys (Cross) Jones. The family moved to Sunnyslope, AZ in 1960, before settling in Prescott in 1966. Through the late 1960's-70's, Dorvin worked at Western Auto, as a driver for E.Z. TransMix, CTI, and the school system, and eventually started his own business, Granite Mountain Materials in 1982, which still blesses the family today.

With humble beginnings and an 8th grade education, Dorvin was a self-taught man with an inexhaustible work ethic. He was a devoted Christ-follower who walked in the Spirit every day, making his life his ministry. Dorvin lived to support and encourage the best in others, and touched countless lives through his earnest mentoring, generous spirit, and open heart. His joyful presence, wise guidance, and unconditional love will be dearly missed.

“ I sat behind Dorvan & Coralie in church for six years. His smile and hiking stories always brightened my Sunday's. I am sad. He will be missed. I send my condolences to the family.

“ 801 to 800, Rest in Peace Dorvin. Rachele, Jeremy, and the Jones family, my sincere condolences and sympathy to you all. What a shock to read of Dorvins passing. I learned a lot about driving dump trucks while employed at Granite Mountain Materials, and will never forget Dorvin and Michelle.
