“ Andy was a very special person. I met her through my very best friend, Evon Gettman. We played golf together. Andy was always so much fun. I have many happy memories of her. God bless you all.

“ Andria will always hold a special place in my heart because of her kindness, generosity, and welcoming nature. Prescott will never be the same without her and we will truly miss her. My mom, Mary Drellack, is broken hearted over the loss of one of her dearest friends. Andria went to school with my dad in MN and their friendship went back many years. I can honestly say Andria was a blessing to all of us; always willing to listen and give words of encouragement, as well as a good cup of coffee. God Bless

“ I only met Andria a couple of years ago, but she was such a warm & caring person that it didn't take any time at all to become friends. She was also someone who really appreciated the Bible and its promises for the future, so we enjoyed many visits talking about how wonderful it will be when God resurrects our loved ones. I am very sad to lose my friend so soon, but I look forward to seeing her again in the paradise to come, hearing her laugh, sharing her smiles.... it's going to be so wonderful!

“ I'm so thankful for the opportunity to have got to know Andria. She was an amazing person, who had a passion for helping others. When I saw her in the hospital, she wanted me to take her lunch sandwich and give it to a homeless person. She was always thinking of others and truly followed the "golden rule" in her life. She lived the values she learned from the Bible as a child and set an example for us all. As the Bible promises, one day man's enemy, death, will be no more on earth. I anticipate meeting with Andria again and learn more from her fine example of living joyfully and selflessly. She was truly an inspiration!
