“ *A fine gentleman, golfing buddy and friend. Austin, we will always remember how you and Ev welcomed us into the golf community when we joined the Hooligans in 1991, just after we arrived in Prescott. We enjoyed your fine sense of humor, knowledge of the world, and stories of your travels.*

*Although we have seen you only a few times in recent years, we have kept up with you through your friends at Las Fuentes.*

*Be at rest.*
