“ *Just wanted to tell you Mom, that I miss you and love you. You were quit a teacher in your own way. I always remember you saying to stand up for yourself, be kind to others and don't jump off a bridge if your friends are. Our Mom was full of common sense that is for sure. I thank you for everlything that you did for me and taught me even to the end of your life. Love you always. Your daughter Penny XOXOXO*
