“ *it was a real pleasure knowing Charles, he always had a few jokes to tell and was so proud of his family. So thankful that he is at peace with the Lord now.*

“ *Our daily conversations for the past six and a half years were the highlight of my day. He was known as my assistant and deserved it. We pretty much talked about everything and we both had the same opinions. He left a lasting impression with those he met and will always be remembered and will always be in our hearts. I will miss our talks, and will deeply miss him. God Bless*
