“ *You may not know me but I was a driver with Cliff, on many runs for the car dealerships in Prescott. He was a really, really nice guy. He told me of the fun times in Branson, with all the family and how much he enjoyed that. I knew he had medical issues and am so sorry to hear of his passing. I really enjoyed his company on our runs, and will miss him. Our prayers are with you all. Dewey and Rose Hein*
