“ Julia...
I was so saddened to see Cliff's obituary in the paper today. Although I met him only once and it was many years ago, you spoke of him so highly that I know he had to have been a wonderful man. I am so sorry for your loss as I know you and he were very close. Please call me if you want to talk or if you need anything. You are such a special person and I know Cliff was, too. Please know that you and Cliff are in my heart.
Sincerely,
Jackie Castillow

“ Julie, I am so sorry for your loss of your soulmate. Life is a struggle and you and Cliff were together facing the good and the bad. There is a better place and he has gone there. My thoughts go out to you. God bless you. Tom Kendall

“ I met Cliff on the local golf course many years ago . I remember Cliff as a really nice guy and a pleasure to play golf with. My main memory of Cliff was when we were in a big money tournament and he knocked his 2nd shot in the hole from 185 yards out for an eagle 2 on the 7th hole north at antelope hills golf course! I believe that shot paid him quite well!
