“ God looked around His garden  
and found an empty place  
He then looked down upon His earth  
and saw your loving face  
He put His arms around you  
and lifted you to rest  
His garden must be beautiful,  
He always takes the best.

*Rest in peace Dacey.*

“ his voice was not the melody in my life, it was the bass line, so  
subtle, i did not know it was missing until it was gone.  
i was blessed that he was my father.  
i loved my father very much
