“*Mrs. Worden was a wonderful patient who never complained. I am so sorry to see that she passed. I was just thinking of her and then saw her obituary today. I am extending my condolences to her family and her son, Todd, who I occasionally spoke with on the phone.*

“*Mrs. Worden was our next door neighbor in Yuma, Az. We used to play with Todd and April. She was a very sweet lady. Let us not be saddened but rejoice for the Lord has greater plans for us in Heaven. I pray that God comforts the hearts of the children and family. Your friends from the old neighborhood in Yuma.
