“ It has been 11 years that I lost my precious Angel. May you rest in peace with your papa and auntie Kathy. Always know how much you are loved, cherished and very missed. A day does not go by that mom and I don't think about you. You brought a lot of joy and love to many people that knew you. Elizabeth, you have two beautiful children Caitlin and Atreyu that you would be so proud today. They are so very precious. Rest in peace my angel and may God wrap his loving arms around you. I love and miss you so much. Mommy

“ I'll always remember us stalking after Liz's first crush in High School. It started out as a friendly drive, then a "Hey, turn around real quick Jonelle!" Then a "Turn right here and stop but not near that car." Etc. Etc. I was tricked into spontaneous, harmless stalking and still laugh about it to this day. That was one thing you could always count on with Liz around, spontaneity and adventure! I will always cherish all the little things we did together. Passing notes back and forth in class, having sleepovers at our homes, terrorizing Donkey, jamming out to ICP. The list goes on and on. So does my love for her. And that, will never end. Rest in Peace my Partner in Crime, Elizabeth Louise White. Till we cause havoc again together in Heaven. Love you BFF.
