“ My sincere condolences to the family. Frannie and I worked together at SRP for several years. She was always a ball of sunshine. She brought joy and laughter to everyone she worked with and I absolutely adored her. She was always so thoughtful. One year for Christmas, she gave me these cute little kissing Christmas Angel ornaments. I still have them and use them to this day. What a wonderful person Fran was. Blessings to all her family and friends.

“ I am so sorry to hear of Frances's passing. I worked with her at SRP for many years until she retired. I am happy that my husband and I were able to visit with her and Ross shortly after they moved to Chino Valley. I didn't become a hugger until I met Fran. She had a hug for everyone. I even remembered my old license plate letters HGF as 'hug Fran'. I know she is in God's hands now. God bless her family and keep them strong and healthy.
