“ I can hardly believe that this wonderful, warm man has left us. I have been a customer for over 20 years. I have driven from Scottsdale just to have dinner at Gabe's. He always made everyone feel welcome. The food...oh so good but it was Gabe who lit up LaBruzza's. His family should be proud of this man and all he accomplished. Thank Yoy Gabe I will miss you my friend.

Gabe was a kind man who made everyone feel special when they entered his restaurant or met him around town. What a loss to us all, especially to his family, staff, and many friends. I have so many fond memories celebrating family birthdays or just enjoying a great meal in a warm inviting environment with my parents Bill and Stella Walters at LaBruzza's. Our community shares in Gabe's family and staff's loss of such a sweet man. You have my prayers.

“*Our hearts go out to Gabe's family, friends, and staff. We have been enjoying meals at LaBruzza's since moving to Prescott in 2004. In fact, it is our favorite restaurant, and part of its charm was knowing that Gabe would be coming by to tell us "hi" and thank us for coming in. What a nice man. We will miss his warm smile and gracious hospitality.*

“ As regular patrons of LaBruzza's Italian Ristorante for some 15 years, we will deeply miss Gabe's smiling face, cherry greetings and hugs goodnight.

The "formula" he devised for his restaurant was inspired --- serving everyone the same salad and bread immediately while we decided on an entree and enjoyed the wine we were allowed to bring in. And the food was fabulous! My favorite was chicken marsala. No other restaurant in town could make it like his cooks.

As many others have said, Gabe made every single one of his diners feel like a best friend. In 2010, when he learned that I had published a book, he immediately bought a copy! With deepest sympathy to the family and restaurant staff, please know that Gabe will live in our hearts forever.

“ Gabe we will greatly miss you and how you and your staff made Betty and I welcomed and at home for the past 21 years. God bless you and your family and staff and thank you for the wonderful times at your restaurant. Early in the 90' Gabe had a crew in to shoot a TV commercial and insisted Betty and I would be in it and this was I believe our first or second time in LaBruzza's. The warm "Hi how are you and come in". Yes Gabe you will be truly missed here in Prescott.

“ To the LaBruzza Family:

*There are no words however heartfelt, that can ease your sorrow - but may it strengthen you to realize what a remarkable man your father was and how many people loved him and will miss him. May each special memory shine in your heart and bring you some peace. With our deepest sympathy

“Where do I begin? So many wonderful memories of my wonderful Uncle Gabe. My father's baby brother. He was the most thoughtful, loving man. He regularly called my father and mother right up to the time they passed. My mother was always so excited when she got a call from him. He was very special to them. Very special to so many. Such a kind heart and a great love for all of his family, near and far. It certainly brought the saying "to know him is to love him" to life. He honored the LaBruzza family with his awesome Italian restaurant, keeping my grandmother's and my mother's memories alive by using their Sicilian recipes to give his restaurant family great Italian food. One of my trips to the restaurant even got my picture hung on the wall of fame. How happy that made me. What a great time my husband Gary and I had with Uncle Gabe when we visited the restaurant and his home. He treated us like royalty but that was him, kind heart, sweet, and funny. My heart is saddened at the loss of a wonderful Uncle who loved life and people so much. It is comforting to know he left a legacy of, "he did it his way, did it great and was loved by all who knew him." Nothing loved is ever forgotten and he was loved a lot.

I love you Uncle Gabe, you will be greatly missed.

*Your loving niece,
Angela*

“ *To Gab's family...
What a wonderful man! I am a resident of Prescott and found your fathers' restaurant when we 1st moved here 9 yrs ago. It was a wonderful place and your father always greeted everyone so warmly when they arrived. He always had a wonderful way about him and a great smile. Im so saddened to hear of his passing. May he rest in peace and your family find comfort in knowing others cared so much for him. He was a great guy and I will have fond memories of him and his wonderful ways! Gone but not forgotten.*

“ What a wonderful friendly person Gabe was! I enjoyed going in to LaBruzza's. He made Prescott feel at home for me with his wonderful smile and genuine appreciation to his customers. Back about 10 years ago I was in town and wanted my favorite chicken parmesan dinner. He was sold out for the night but recommended I try the eggplant parmesan. He told me it would be so good, I would think they were the same. Boy was he right! That night I found a new favorite and have ordered that ever since! I posted on facebook at Christmas there is nothing better than a double date with your sister and her hubby to Labruzzo's! He was such a great person to have Prescott welcome, he become an icon here for our family. Enjoy your rest Gabe!

“ When Gabe came to Prescott, he enriched the lives of EVERY member of the Nebeker family. Gabe lived in the Don Juan Apts that were owned by Ted & Jeanne Neneker for almosr 20 years. In that time he becsme one of our family. We all ate dinner at LaBruzzas every Sat night for those 20 years. Ted Nebeker tsught Gabe to ride horseback & helped with his garden. We had almost every family celebration at LaBruzzas; birthdays, baptisms, wedding rehearsal dinners, prom dates, & anniversaries! We laughed, were sad, talked politics, & religion and always agreed. He was so welcoming to everyone and he was loved & will be greatly missed. No one will ever be able to replace Gabe, but we sure hope his family & loyal staff keep LaBruzzas open.

“ I wish to send my condolences to the family of Gabe LaBruzza. We moved to the Prescott area in 1990 and met Gabe soon after when we happened upon his restaurant on Iron Springs Road. Since then, just about every family celebration we have had has been spent eating dinner at his restaurant. Our four children grew up celebrating birthdays and holidays eating his wonderful food. After the kids grew up and moved away, my husband and I would come to eat dinner on the weekends. Gabe was such a wonderful, loving person. He always recongnized us when we came in and made a point of asking about the kids and what they were up to. He always made us feel so special, like we were family to him. We will miss his beautifuly smile and how he treated his customers like royalty. When we heard the news of his passing, we were devastated and felt like we had lost a family member. I am so sorry for your family's loss and send our deepest sympathies. He and his wonderful food will be sorely missed.

“ Gabe, we will miss your smiling face and great sense of humor. You were one of the first friends we made upon our move to Prescott in 1990 and have been a wonderful friend since. Who knew that when Mark saw you last, only a few days ago it seems, that you would be leaving us so soon. You were truly one of a kind. Much love, honor and respect. Laura and Mark Vucich

“ My father, Pat, was good friends with Gabe back in 1988, the year my husband and I moved to Prescott. Being Italian, we all immediately became good friends. Gabe was the nicest guy. We thought the world of him. We will truly miss him.

“ Gabe will truly be missed. He was always kind and smiling. We have been patrons of his restaurant for several years now, and looked forward each weekend to seeing his bright and cheery face, greeting us and saying "thanks for coming in".. we'll miss you Gabe. We used to laugh at his calling my 4 year old grandson "Chance", because he didn't remember his name was "Chase". Two days before Gabe passed away, we were in his restaurant and before leaving, Chase gave him a big hug and thanked him for his delicious ravioli. We used to see Gabe sometimes in the casino and would talk to him and share memories with him. My heartfelt condolences go out to his family at this sad time, and my family will miss him very very much.

He called Tommy, Kenny, because he thought Tom looked like Kenny Rogers. Just another part of Hus fun personality. Prescott won't be the same without you.

We returned from a trip to read this very sad news. How much of a 'family' we were...Gabe and his staff and his customers. A 'family' of customers who were greeted by Gabe and who gathered together to eat a home cooked meal. Gabe was an old world treasure and we will miss him terribly. His service to our country will be remembered and we extend our sympathies to his family and staff, particularly Cheryl, Jessica and Maria who we got to know. Al and Carolyn Bradshaw
