“ Have lots of fond memories of Uncle George and Aunt Merle and going to visit them at their home. Uncle George had such a great smile and a great personality. Karen and I will always remember the great time we had in Las Vegas with him the first year we were married. Lots of great memories! Sumner & Karen Schlegel

“ I have many memories of Uncle George. I had the privilege of living with Aunt Merle and Uncle George for a year graduating from high school. One memory, we both would joke about, is him holding up the morning newspaper to cover his plate while pouring ketchup on his eggs. Uncle George was a hard working, caring, compassionate man. He will always hold a special place in my heart. Our condolences to the family.

“ I remember Uncle George as a man who was very kind with a twinkle in his eye that let you know he had a great sense of humor. My mother Mary always talked of George & Merle as the older sister and brother in law that helped her out a great deal when she was still in high school by seeing to it that she had a dress for a dance. That is just a small example of the kind of man that George was.
