“Gwen was the most wonderful woman, wife, friend, sweetie that I could have ever hoped or prayed for. We met in October of 1990 on a blind date and we were married for 20 of the most wonderful years and every day was an adventure in life. We always made sure to say I love you each day...especially if we were leaving the house on an errand or for work. We were very much aware of how much we loved each other, how important it is and just how short life can be. God granted me a gift in my Gwendolyn for which I will be eternally grateful.  
With All Of My Love Always,  
Your Husband,

“We in the Fast Track area of the ER felt very blessed to have Gwen in our world. Her smile, joy, sense of humor and competence at her job made our day that much easier and more pleasant. We are saddened by her passing and will miss her every day.
