“ *I will miss you Aunt Helen, but know you are in God's Hands now and looking down upon all of us guiding us through our own individual lives. I can never thank you enough for sharing your thoughts and your memories of my mom with me. I will miss your sense of humor and your wit. I can hear you laughing now as a matter of fact. Please hug my mom for me and tell her I cannot wait to get to see her again and to be held in her loving arms. I take solace in the fact you are no longer suffering. We will all miss you, but God needed you more. Love always and forever,*
