

Jesse James Steed

September 28, 1976 - June 30, 2013

Jesse James Steed was born in Cottonwood, AZ on September 28, 1976 to Claudia Federwisch. Jesse was the beloved husband of Desiree Steed and amazing father to Caden (4) and Cambria (3). Jesse is the second oldest of four siblings, Cassidy Steed, Levi Federwisch and Taunya Steed. He was grandson to Herman and Reaut Federwisch. Jesse was an amazing individual, husband, father and brother to all. His children and wife were the light of his life; he was a truly dedicated family man.

Jesse grew up in the Southwest calling the quad city area his home. After Jesse graduated from high school he joined the United States Marine Corps serving from 1996 until 2000. He joined the Forest Service in 2001 often saying it was the closest thing to military camaraderie that he could find in the civilian world. He worked on the Prescott Hotshot, Helitack, and engine crews until he became a part of the Granite Mountain Hot Shots in 2009 where he proudly served as Captain to his crew that he often referred to as a brotherhood.

Jesse enjoyed being outdoors hiking, running and biking. He had a need for speed whether it be on a street bike, dirt bike or sand rail. One of Jesse's favorite past times was going to Glamis sand dunes with his family and friends. He loved spending time with his kids doing whatever they wanted to do. Children have always been drawn to our fun loving, goofy Jesse. He was a big kid himself, often being called a teddy bear and a gentle giant. Jesse was always the life of the party making everyone laugh. He was the comedian

of the group and loved making people happy.

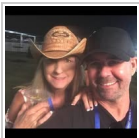

Jesse had a way of making everyone around him feel like they were the most special person in his life. He would always greet and leave you with a rib crushing hug and never said goodbye to anyone without an "I love you."

“ Since first hearing of this tragedy, I have been heartbroken for the Steed and Federwisch families. I remember so well when these kids lost their mom, and to lose Jesse now is so hard. Please know you have been continually in my prayers, and I have shared in your grief from the sidelines.

“ Jesse was in my graduating class of 1995, I feel extremely sad for his loss, he was way too young. I may not have known him his entire life like a lot of people around Chino Valley, but I do always remember him as the jokester, prankster and always laughing and having a smile on his face. That is how I will remember him. I love all the stories and videos of Jesse over the past week as I feel I have gotten to know him better, I am happy he lived life to the fullest, because there is no other way to live. To his wife and children and the rest his family and friends, my heart is heavy with sadness and all of you are in my thoughts and prayers as the healing process begins. I know you don't know me, but if there's anything you need, I am here. RIP JESSE

“ In 2000 just prior to deploying to Kuwait with Battalion Landing Team 1/4 and the 15th Marine Expeditionary Unit Special Operations Capable, Jesse joined me as I began singing a Kareoke song in the Naval club in San Diego. Together we sang a duet to Runaway Train by the band Soul Asylum in a packed club of Marines, Sailors, and civilians. Jesse of course managed to keep a smile on his face while singing the entire song. We received a standing ovation from the over 200 club patrons. Jesse's smile was even larger. It was a blast. Thanks for the memory Jesse.

I met Jesse in high school and I remember that he was the sweetest and funniest big teddy bear of a guy. He had a fire in his eyes and heart to do great things! It was good to see that all he had hoped for in his life back then came to being! He is an inspiration to us all! I was blessed to have had him in my life so long ago. Praying for his family that the Lord comfort them and bless them through this hard time! God bless- Stefanie
