I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.

“ *My uncle Jody was an amazing man with a huge heart! I love him so much and miss him terribly. He always gave a helping hand to others. He loved to laugh and loved giving his input on anything we talked about. If you knew my uncle, you knew just how amazingly intelligent he was. He loved my family so deeply and my children are very sad to have to say goodbye, but we know he is home with his parents and brother, and will see him in heaven oneday! Having him in my life was a true blessing and I am so grateful for the time I shared with him!*
