“ We are sorry for your family's loss. I talk many a time with him at Camerons football practice and at the bus stops. He will be missed by all. He was always in a good mood.

“ I never got the chance to meet Kim, I wish I had. Kim and his Dad helped deal with the aftermath of a very terrible accident in 1977. It must have been very terrible witnessing such an event, so helping must have been far worse. I'm sure he was a great man and father. Thanks Kim, for helping, sorry we never met.

“ *Rest in Peace my dear brother. You are my best friend, the one who was always there for me; I'm lost without you. I know we are still Kim & Tam, and that you and mom are busy making a place for us. You touched so very many lives and are missed by them all. You have kept our hearts whole. I'll see you in my dreams until we meet again.*

*I love you,

“ *Memories are many for me. The Tranter family and Henagar families lived and grew up just a few blocks from each other. We saw our children go off to grade school on the school bus. Then Jr. High and High School. Summer vacations brought camping trips, Slide Rock, baseball games at Ken Lindly. I remember The BIG brown Chevy. truck I took a ride in. I forgot and took one big step and went down on my knees. It was a long way down! Kim always had a car, truck, sand buggy, project going on. I will always remember Kim and all the Henagar family. It leaves me with fond memories of the long ago. I am glad we have kept in touch over the years. Happy Trails.*
