“ Kyle was one of my son Chris's very best friends growing up. We always loved Kyle. When I think of Kyle, I think of him lifting everyone's mood, helping his friends, socializing with all of us. It is no surprise that he worked in a place like Clean Adventures where he could support and help other people. He will be missed in so many ways. It is our hope that his family can feel some of the peace Kyle will now feel with his God.

“ Dear Gene, Claire, Sarah and Chad,
I am so sorry for your loss and pain. Kyle was a great kid that grew up to be a great young man. I could never see him without smiling- I know your loss is deep & beyond understanding. you are & have been in my prayers.

Kyle was in my chemistry class years ago, and no matter how distracting he could be, I could never stay mad at him because he would just make me laugh again. I know you had reason to be proud of the way he made his life count. He will be missed by many.

“ *Kyle was a favorite of all of our son Chris's friends. We loved Kyle mostly because, I think, he was so kind-hearted and had genuine interest in everyone around him. He lit up a room, for sure, and his sensitive nature always came through his endless sense of humor. Kyle knew how to lift a mood, be a friend and be engaged with others. It is no surprise that he found satisfaction in helping so many people at Clean Adventures. Aware of how much his family always loved and supported him, our hearts ache for their loss of Kyle. We are praying hard for Kyle's life with God to bring some peace to everyone still in this life and the daily struggle of missing him. --

“ Kyle was one of my favorite people in the world. He and my daughter Marlaina played a trick on me once putting fake humming birds around my feeder and they stood back laughing when I got all excited about the humming birds.
He was so funny and full of laughter.
I am also happy to say that I know Kyle was a CHRISTian because of face book conversations we have had. Please CHRIST Jesus welcome this beautiful man into your loving arms.
