

## LEONARD CARL LORENTZEN

September 25, 1941 - October 26, 2023

Leonard Carl Lorentzen died peacefully on October 26, 2023. Born September 25, 1941 in Salina Kansas to Frank Lorentzen and Elizabeth Carlson, he was the second of 4 siblings; Frank, Leonard, Karin Sue, and John. Enlisting in the Army in 1964, Leonard would carry on his military career over the span of 4 decades serving in the Army, Air Force, Texas National Guard, California National Guard, and Army Reserve where he joined the All Reserve Shooting Team. In addition to competitive shooting, he also trained new recruits in the use of their weapons, equipping them for battle; one of his proudest accomplishments. Leonard would marry his beautiful high school sweetheart, Barbara in 1964. That same year they would welcome their first born, Christopher, with daughter Lisa following in 1968. Len's family would travel the world, compliments of the United States military, and have many experiences to recount. Len was a devoted family man, always taking his family to various places camping, fishing, shooting, etc. Family was extremely important to Len and he instilled that same value in his children. He and Barbara remain married, and would have been celebrating their 59th anniversary this year. Len always took time to really know his family which would eventually include 5 grandchildren; Danielle, Angela, Samuel, Andrew, and Deven, and even one great granddaughter, Aida. Len will be missed, but his character will always live on in his family.
