“ *Lewis, you gave up so much for me and the kids including your health. I never told you how truly grateful I am but I hope you know. This has been harder than I could've ever imagined. I had always prepared myself for my father to go first and I knew you would be my other dad when that happened. I'm at a loss for words and I just hope you know how much I loved you. You were the papa my kids needed and deserved. You were their only papa really, sad to say but you always treated them as their other papa should have. You will be missed more than you will ever know.*

“ I will always have fond memories of Lewis--my cousin. I was so glad
to be able to see and visit with him in March. As kids we had a great
and exciting time in Prescott when our family came to visit in the
summer and winter from Phoenix at our grandparents and at his
house. From going into downtown Prescott in the summer to
sledding down the road by the house in the winter. If I was able to
visit over the 4th of July, Lewis would go down early in the morning
to save a place for the family to see the parade. We were not able
to attend the service because of distance. Our heartfelt sympathy
goes to Lewis' family.
