“ Our condolences to my dear friend Jennie, and his wife and children. Mark was one of my cub scouts, there in Prescott. As he went in to play sports
Our boys and Mark were coached by Manny Vicente, and Frank Rodriguez.
The little blonde kid with the winning smile, gave his all and was a dedicated
Part not only of the team, but as part of the Vicente family. I'm so sorry to
know that Mark has left us. For his children, your dad was one of the best!!
For Jenny thank you for allowing your son to be part of our journey.
Sending our love.

“ *As you all know, Mark was a special guy. We had the pleasure of working with Mark throughout his LE career, but especially closely when he was a Detective with PPD and we worked at the CA Ofc. Mark was one of the best investigators I ever worked with. I especially appreciated his great attitude, sense of humor and willingness to listen to what was needed and to get it done. Mark served our community with great distinction. He will be missed.*

“ I had the privilege of working with Mark for many years as a prosecutor when he was a policeman and then detective with Prescott PD. Mark took his role to protect the public conscientiously and was always willing to do the extra work that often bettered the outcome of justice. He was personable, likable, thoughtful and professional in every case and situation we handled together and to his family I extended my deepest sympathy. A really, really good man and a big loss to this community.

“ Please accept my deepest and most heartfelt condolences during this incredibly difficult time. Although I never had the privilege of meeting Mark in person, I feel as though I knew him through the beautiful stories and loving words shared by his devoted wife, Laura.

Laura, my heart aches for your loss. From what you shared, Mark was a truly remarkable man – a loving husband and father who dedicated his life to serving others with honor and unwavering commitment in law enforcement. His legacy of selfless service will undoubtedly live on in the hearts of all whose lives he touched, both professionally and personally.

The story of how you and Mark found each other, and the remarkable love you two shared, resonates deeply with me. I believe God brought you two together to share his final years. To know you had each other is a comfort, even amidst this profound sorrow.

May you find strength and solace in the cherished memories you hold. I pray for you, Laura and the family, in the days to come as you journey through this tremendous loss.
