“ *Dear Don and family,
We are so sorry to hear of your loss of Marlene, one of the most beautiful and wonderful people that ever walked this earth, she touched so many lives and will be remembered by all. We are unable to attend the services, as we are out of state at the time being. Our thoughts and prayers will be with you and your family. Marlene was always a friend, near or far, it didn't matter if you saw her every day, or just once a year....it was always the same...time stood still for friends like Marlene.
With our sympathy and love,
Terry and Bob Radcliff*
