“ I never knew Marlow L.Sisson but I suspect we may somehow be related. I was born a Sisson myself and my father Gaines Lawson Sisson also served in WW2 and he was born at Big Sandy, TX December 6, 1919 and spent three years in Europe during that war. He and my mother moved to Oregon after that war and that is where I was born. I found three pair of gorgeous sterling silver earrings on Ebay that were made by one M.L. Sisson of Prescott, Arizona and I just wanted to say thank you for their beauty and for your courageous service to our great nation. Many Sisson's in my line have served this nation including me in the WAC and it makes me very proud. Godspeed sir and may God bless your family too.
