

Mary F. Stuebing

April 9, 1913 - December 10, 2014

Mary F. Stuebing passed away peacefully Wednesday, December 10, 2014, at the age of 101 years old. Mary was born April 9, 1913, in Illinois. She lived in many different states throughout her life and called Prescott home for the last 45 years.

In 1932 Mary married the love of her life, Ed Stuebing. They raised two children and were married almost 60 years when he passed away in 1992. Mary loved to craft, collect miniatures, take pictures especially with her Polaroid camera, do crossword puzzles, read, watch tv, and eat chocolate. She also loved music, singing and playing the organ. She enjoyed her adventures with the Red Hat Ladies, a cocktail every evening, and visits from family, friends and neighbors. Mary was strong in her faith.

She is survived by many family and friends who love her and will miss her dearly. The family would like to express their sincere gratitude to Mary's very special angels from Prescott People Who Care, Nancy Clark and Clarence Kropp. The family would also like to thank Mari Lewison for being a wonderful, caring neighbor and Mary Jo Fine for being a loving caretaker and friend. You brought joy to Nana with your kind, loving hearts and beautiful smiles. We are so grateful for you all. There are no services planned at this time.
