“ Dear Nels,

We are so sorry to learn that Nita has left us and that our gettogethers in Prescott will be no more. We so enjoyed your company at those various lunches and dinners there as well as in Tucson. The last several years we have not attended the meeting in Prescott which put us near you. One year we were snowed out and last year we had a conflict. Bill just had his 90th a few weeks ago so he has joined your decade. Are you really in California as searches seem to indicate. We hope that you are happy there near your children we presume. Please let us know how we can reach you by email, snail mail and phone. We are at etwoodin@q.com 520 403 6553 or 520 298-2954.

We are so sorry not to have known about your loss, all of our loss so we send our belated condolences and wishes for healing in this new year.

Fondly,

*Beth and Bill Woodin
Tucson*
