Tribute Wall

“ Orion was a very generous brother-in-law and uncle. He was always kind to our family and interested in the kids. The world is not a better place without him. Orion, you are already missed.

EO

I worked with Orion at the Bagdad Mine--I was in the warehouse and he was Parts Coordinator in the Mine Shop. I only recently hear of his passing, as I moved from Bagdad in 2013. Orion was a quiet and thoughtful person; very humble by his own right. Reading his obituary was such an eye opener--he was a very still water that ran deep. My deepest condolences to the family.
