“ I'm going to miss my annual Christmas conversations with Aunt Peggy as she shared many memories of my Dad's (and his seven brothers and sisters) growing up days on the bank of the river in Webb Mississippi. The Gent family will miss Aunt Peggy's contagious laugh and giggles. One memory I will never forget is staying up until midnight on her 80th birthday and looking at photos of my Uncle Faz and reading the many articles of his gallantry, while serving in the Reconnaissance Company First Marine Division behind enemy lines and being awarded the Silver and Gold Star for risking his life for his platoon against the Japanese and Korean Forces. We, especially Aunt Peggy were all very proud of him, although as a young child I just remember my Aunt and Uncle and cousins as a fun, outgoing family to be around. At the end of our conversations we always prayed together and I will really look forward to seeing her again in our real home in Heaven. "If you confess with your mouth, "Jesus is Lord," and believe in your heart that God raised Him from the dead, you will be saved." My prayer is that the Lord will comfort all the relatives, especially my cousins at the loss of their wonderful mother. Patti Gent (Green)
