“ As Cancellor of the SAR Prescott Chapter I salute Dick Proper for his many years of earlier service to our Chapter. While we have not seen him at our meetings in recent years, we nevertheless have kept him in our minds and appreciate all this he did as an original founder of our Chapter and Past President. We are are very pleased that his brother Lee recently joined our Chapter and hope to see him often.

“ Dearest Leona and Family:
Owen and I want you to know that you are in our thoughts and prayers during this sad time. Needless to say we will miss Dick. He was a wonderful person and dedicated to his family and our organization. Our Legion "family" will certainly miss him. He was a great mentor to others.

I regret that I cannot be there for you but Mother Nature has left us with almost 2-3 feet of snow here in Alpine with more predicted the end of the week and driving through the mountains could be rough. We will be with you in our prayer.

With all our loveto you and your family , Joyce & Owen

“ I have a lot of fond memories of staying at their house as a kid. Me, Jeff and Andy got into trouble a few times too but that just adds to the memories. I havent seen them in many years but will always remember the kindness they showed me.

“ I had the pleasure of driving Dick to the Pendleton Center every week for about two years and I loved every visit. We had a great time chatting and I loved to hear stories of his adventures and many interests.

I will really miss him.

Leona, you are in my thoughts and I will be checking in with you to see how I can help you through this difficult time.
