Tribute Wall

“ Thank you Uncle Ron for all that you did for me growing up. I will treasure all the times we spent together at family gatherings, Christmas, vacations or just making popcorn balls. You opened my world to more experiences than I could ever thank you for. I hope that I can carry on all you taught me. I will miss you and the times we shared, Love You. Patrick

“ As you gather together as a family this weekend to remember, know that others care and share in your grief. Having met at ISU in 1959 the friendship continued these many years later. This was a man who cared deeply for his family and friends and never let the moment pass without sharing that love. So sorry we did not know the difficult year 2018 was for Ron and the family. The last time we were together in January of 2018 he was that happy cheerful man who only shared the difficulty he had in walking. Would have liked to have been there for you in that time. Who will carry his man purse as he so called it? Who will wear his cowboy hat and his cowboy boots? He was a man like no other and we had hoped to meet again next week when we are in Arizona. We have prayed for you since Linda Hall let us know of the surgery and have continued to do so as you walk ahead in your journey without him. Cherish the memories. Grief bites and stings. Joy can live inside of loss and grief. Gene and Lori Ernst
