

Terry Lichtenberger

December 20, 1935 - December 27, 2012

My beloved husband, companion, friend, and beloved adversary, with whom I loved and fought for 29 years, passed on to Glory with our Precious Lord and Savior, Jesus Christ on December 27, 2012 at the young age of 77.

Terry had a zest for life and love for people. Terry loved to travel and did a lot of it in his earlier years. He loved to sail, windsurf, snow ski, to build, garden, and do woodturning. When Terry married Lisa his traveling days were modified to animal caretaker, which he also loved, and loved to complain about. Terry designed and built a home in Prescott to accommodate Lisa and the animals. Terry was born on December 20, 1935 in Wilcox, Arizona. He was the first child and was followed by seven sisters. Terry lived in Tucson for many years. He served in the US Navy from 1954 to 1958. After serving in the Navy he attended and graduated from the University of Arizona. He and his son, Keeth share their avid love for the U of A Wildcats. He lived in the Valley of the Sun for over 20 years. In 1999 he, Lisa, and the critters moved to Prescott.

He is survived by his wife, Lisa; Keeth, his son; and his granddaughter, Beth; his granddaughters, Kirsten and Hannah; and five great-grandchildren. Kari, his daughter passed on to the Lord Jesus on February 1, 2013. The Memorial Service for Terry will be on Saturday, April 6, 2013 at 2:00 PM. At WESTSIDE CHRISTIAN CHURCH 5860 Williamson Valley Road Prescott, Arizona 86305.

Hampton Funeral Home assisted the family.

“ Brother, I miss you soooo much! I am so thankful for the reunion last year. It let us as a family reconnect and make more meaningful memories. I'm thankful you could say those words " I Love You Sister" 'cause it helped me open up to be able to say them too. These past years you helped me a lot with your Bible verses, family information, joking, and just you being you on the phone. Most of all brother I miss you.
I LOVE YOU

“ I miss you so much brother. I know you are with Mom, Dad, and family watching over us. Even though it was our Heavenly Father's decision for you to be with him I so wish we had more time together. I miss my phone calls, verses, but most of all I miss you. I am so glad we had our family reunion to have pictures and memories of that fun time. I have you in my heart forever. I LOVE YOU.

“ My heart goes out to Terry's family. I am so grateful to have seen him at the Family Reunion in Laughlin, NV last year. I will always remember how happy he was to be with all his family. I hope you will find comfort in knowing he is with his Mom & Dad, and all his family who have since passed over. He will be missed and always remembered, just as his parent will be forever in our hearts!

“ *I know your watching and cheering for our Arizona Wildcat Basketball team right now from a very good seat Dad. I miss you so much but understand it was not in my hands when you were called away from this earth. You are the best father I could have had, and made me think for myself, and to work hard for the people I love. Please let God know how much I love being your son. Keeth*

*Brother, I know you are up there watching over all of the family. I cherish all the years God gave us together but especially the last few years where we got closer as adults. It's always been hard for me to express my feelings especially in front of others...you were helping me with that and I Thank You. I know your work was done here and God called you but oh how I miss your phone calls, e-mails, daily verses and most of all you. You are the best brother a girl could ever have wanted. You've always had a special place in my heart and you will forever.
I LOVE AND MISS YOU.*
