“ Dearest Lou and family, Tom and I wish we could be there with you. This breaks our heart but we know you have so many fabulous memories of life together, it will keep you comforted for many years to come. May you pass his love for life and nature on to the kids, grand kids and great grand kids!!!! Lou you are and always will be Willies cheerleader and best supporter, he could ever, have had. He will be watching over you from Heaven, along with all the others. They will all make sure he is well taken care of. We loved Willie and his creative loving art and Lou, you are a huge part of all that love. Thinking of you and wishing we were there to hug you tight,  
Christine and Tom
