

WESLEY B. KANNENBERG

February 6, 1965 - January 30, 2013

Wes was born February 6, 1965 in West Allis, Wisconsin and passed away suddenly of a massive heart attack on January 30, 2013 in Prescott, Arizona. Wes moved to Arizona with his family when he was 7 years old. He graduated from Mesa High School. He followed the family in moving to Flagstaff in 1990 and worked there in various capacities and for different companies, and most recently worked at Kit Carson campground until his move to Chino Valley in 2010 where he lived with his parents Bernie and Trudy. He was working for Ruger at the time of his death.

Family connections were most important to Wes, and he was always ready with a smile and a generous hand. He had a great reputation as a hard worker and would do anything asked of him.

He loved old cars and GI Joes. His hobbies included collecting sea shells, stamps and Kiss memorabilia.

On April 12, 2010, Wes joined a group of men from Grace Baptist Church in what became the greatest venture of his life as the team went to Honduras and helped to build a church. He never tired of talking about that trip.

Surviving family and friends will miss him greatly.

Funeral Services were held at Grace Baptist Church in Chino Valley on February 5, 2013 with interment at Chino Valley Cemetery following the service. Hampton Funeral Home was entrusted with the arrangements.

“ My thoughts and prayers are with the entire Kannenberg family. May God give you strength and ease your heartache... I have fond childhood meomories of hanging out with Wes and his brother, Matt, in our neighborhood in Milwaukee. We would ride bikes and play in the field behind his house. I also remember spending time with Wes and our families at Sand Lake. I remember bringing home many turtles and frogs that we caught. I didn't know Wes as a man and I highly regret that. He sounded like a sweet, wonderful soul. One day we will all meet again.

*Love and prayers from your cousin,
Kris Zullner*
