“ I knew Billy as a great man. He was like another uncle to me. He was loved greatly by everyone around him. He was funny, outgoing, and always called me Jackass. I remember one time, I went to his house with my uncle and brother and my dog. We were going to have a bar b que. he pulled out the elk steaks and sat them down... To only have my dog gobble down half of them. It may not be the best memory of him, but it's one I will remember forever.

I want to give my condolences to the family, and hope they are doing alright.

Love
