

Yvonne W Morgan

May 6, 1920 - September 21, 2020

Yvonne (Von) W. Morgan

Yvonne W. Morgan, a fourth generation native of Prescott, passed into her Heavenly Father's waiting arms, on September 21, 2020, in Prescott Valley, Arizona.

She was born at her aunt's house, on South Virginia Street, in Prescott, Arizona, on May 6, 1920. She was the second of four daughters born to Frank and May Wilson (Larremore.)

She was preceded in death by her parents, sisters, Wyona; Lorraine (Mickey); Dama May; husband James (Jim) Morgan; great nephews Chris and Jim Kretzmann and great niece Darcie Garber.

She was 100 years, 4 months and 15 days old. But who's counting. She was. She was very proud to be the oldest living member of her family. She celebrated her 100th birthday with a drive by parade led by the Prescott Valley Police Department, the Central Fire Department chief and a long line of cars filled with family, friends and neighbors. She was lovingly known as "Aunt Von."

Her pioneer family came by wagon train to Prescott in 1864 and eventually settled in Walnut Creek. Their colorful history includes a shootout in Walnut Creek, that left her great grandfather dead, and the saw mill explosion of 1887, that killed her uncles Zed Wilson and Andrew Steinbrook. In 2014 she was honored at the Sharlot Hall Museum's Bicentennial celebration for being a descendent of a Prescott pioneer family and having family members that

have lived in the area continuously since 1864.

Yvonne graduated Prescott High School in 1938 and beauty school in 1939. She worked in several shops around Prescott and later went on to own two of her own. She was an artist when it came to cutting hair. She spent 57 years doing what she loved.

She was treasurer for the Prescott unit of the National Hairdressers Association, member of the Business and Professional Women's Club, sponsored a bowling team and bowled on a league. In 1956-1957 she rode along in a Mac semi-truck, delivering dynamite to the southern states. And for a period of time in the 60's she owned the Anvil Rock Ranch by Seligman. She married Jim Morgan in 1966 and the adventures kept coming. They spent a lot of time at his cabin in Cholla Bay, Mexico. They also took trips to Europe, Spain and Africa. They enjoyed camping, boating, fishing and did some traveling around the states. They moved to Mayer in 1977 and became mini ranchers/farmers. Then in 1993 they moved to Prescott Valley for health reasons. Jim passed in 1996. They had a good life together, she loved him a lot and missed him every day.

She was a member of the First Church of Christian Scientist, Boston, Massachusetts, and attended the local church. She met two very special people at church. Ruth Emerson and Jim Snedeker. Thank you both for all the love, time and caring you gave her.

Our sadness will be softened by the good memories. Our hearts are full of love. We will always remember what a great sport you were, your sense of humor, and how easy it was to make you laugh. You had a great laugh.

Love You, Aunt Von.

“ Thanks to Patty for leaving me the voice message on Oct. 12 about Yvonne's passing. I will try to phone you later this week. Yvonne was my first babysitter and took care of me for at least one year, perhaps more like two, starting in January 1949. She and her husband lived in the same apt. bldg. in San Francisco as my parents and several other friends. My mom died in 1987 and she and Yvonne kept in touch as well as with Mildred Arbulich. I've kept in touch after that and we exchanged Christmas cards. I talked to her on her 100th birthday! Such a lovely lady. I send my love and condolences. Not many people at age 72 could say they kept in touch with their first babysitter!! Bev Hoppe, Salt Lake City
